

i'm having trouble with aol they keep messing up my computer!  
I lefted them in aug.2003 and went to msn. They kept sending bills  
to my credit company that my credit company finally isuse me a new  
number.all i had was the aol messenger and it was going crazy and  
froze my computer so i called and they told me i owe 46.30 to the  
end jan of 2004. i told them i didn't owe they a sent . my computer  
got worst so i sent them another check for 46.30 and they still  
will not leave me be can you please do something with them!  
i will be so grateful thank you very much JUDY LUX
